

The screenshot shows an IDE with the following components:

- Project Explorer (Left):** Displays a project structure with folders like 'Libraries', 'JavaScript Resources', 'build', 'WebContent', and 'WEB-INF'. Under 'WebContent', there are files like 'addmovie.html', 'addtheatre.html', 'addmanager.html', 'contact.html', 'customerhome.html', 'customerlogin.html', 'customermenu.html', 'customerreg.html', 'index.html', 'maddmovie.html', 'managerhome.html', 'managerlogin.html', 'superadminhome.html', and 'superadminlogin.html'.
- Main Editor:** Shows the HTML code for 'addmovie.html'. The code includes a form with a language selection dropdown (Telugu, English, Hindi, Kannada, Tamil) and a genre selection dropdown (Comedy, Thriller, Action, Horror). The code uses Bootstrap classes for styling.
